

VNS2640

WIRELESS PA SPEAKER WITH MESSAGE BOARD PA Voice Messaging and Emergency Notification

Powerful PA Voice Messaging, Visual Alerts, Easily Expandable

The Visiplex VNS2640 is a unique wireless PA speaker that comes with integrated multi-color LED beacon lights and an alphanumeric LED text display, offering visual alerts as well as audio. The VNS2640 is able to play live audio broadcasts, pre-recorded messages, activate alerts with multi-color beacon lights, initiate scheduled break bell tones, and provide accurate digital time display. Fully controlled by wireless commands from a Visiplex base station, this multi-functional speaker can enhance communication efforts during emergencies and day-to-day operations for any type of organization, such as: schools, colleges, office buildings, warehouses and commercial facilities.
